Best part about working at Daniel's

Centre: Daniel's Centre is traditional English school that rejuvenates thanks to the students that attend its classrooms.

Therefore, Daniel's Centre's students are its core asset and main focus of attention.

Daniel's Centre does not hire individuals to simply come and speak English. Daniel's Centre hires teachers, that is individuals willing to follow a method from start to end

in light of seeing how their students achieve their potential, which is definitely the best part about working at Daniel's Centre.

Other benefits? Possibility to acquire experience in different teaching areas along with freedom to develop new teaching practices under Daniel's Centre method oversight.

Offer teacher training or development along with job? Continuous job training along with personal development, given Daniel's Centre experience and teaching spirit.

Starters' average salary? 1,200 – 1,500 €.

Other: Currently being evaluated for ISO qualification.
