<b>Location</b>	Alcorcón, Madrid, Spain
<b>To be in position</b>	September 2019
<b>Website</b>	<a href="http://www.englishinaction.es">www.englishinaction.es</a>

### School profile

We are a long-established English-language school located in the south of Madrid which is well connected to Madrid's efficient transport network with Puerta del Sur a 10-minute walk away. Our school has a team of dedicated professionals who create a positive work environment.

Our large premises are modern and spacious and all classrooms are fully equipped and include Interactive Whiteboards. Our teaching resources are extensive and we promote professional development through an in-house training programme, as well as affiliation with local teacher training and exam centres.

We provide a wide variety of classes (General English, Exam preparation and Business English classes) to a wide range of age groups (VYL 3-6 year olds, YL 7-16, adults 16+).

### Job information

We are looking for friendly and professional teachers, capable of teaching, either a mix of young learners from 3-16 years, students from 16 years onwards to prepare for Cambridge exams and/or adults for exam preparation and general communication.

We are looking for dedicated teachers who, as well as adding value to our team, are keen to develop professionally and are primarily focused on supporting our students to develop their English language skills.

Developing language skills requires flexibility and openness from both teacher and student. Teachers need to:

- have understanding and awareness of the students' needs and respond accordingly
- be able to plan their lessons appropriately and work towards a clear learning outcome
- be creative in the classroom with their lesson planning
- reflect on their own teaching and work on their professional development

### Qualifications

- Native speaker competence/C1 level minimum with experience of minimum 1 year
- University degree or any TEFL, DELTA, CELTA or Trinity Cert TESOL qualifications
- Experience teaching very young learners and/or teenagers and adults and experience with exam preparation classes
- Ideally competent in Spanish (Intermediate or higher)

## Teaching Conditions

Students are provided with relevant course material as well as any additional resources that may be required. Our classes have an average number of 7 students maximum 10.

Teachers will have access to all type of teaching resources, including books, flash cards, games, DVDs, CDs and supplies for lesson planning.

Working days: from Monday to Friday in the afternoon and evening. Saturdays and mornings also, depending on availability

Teachers are required from 09th of September 2019 who can commit to the academic year ending 27th of June 2020, with an option for renewal.

## Salary and Benefits

- Competitive salary
- Minimum of 20 contract hours
- Full health and Social Security cover
- Free training workshops.
